Subject: SRC settlement discussion

Hi Ken,

Erika and I would like to talk with you about the few remaining items in the SRC settlement. 30 minutes should be sufficient. We are available at the following times:

Monday 6/15: 9am-3pm (1-3pm is preferred)

Tuesday 6/16: 11am-12:30pm, 2:30-4:30pm

We are also working on an updated draft to address the matters raised when we spoke earlier this week. I should be able to send that to you later today or Friday.

Take care,
Kris
